Introduction

The Open University may charge different fees for Students in different countries, for different levels of study, for different modules and for Students who start or change their studies at different times. This is in line with the different ways in which higher education may be funded, the costs of providing educational services, or because The Open University provides a different range of services.

This document explains how to work out which fee scheme applies to you and what this means, so that The Open University can charge you the correct fee for your circumstances.

In addition, it explains the rules that apply to you for the payment of fees, and the Fee Refund and Credits policy that applies if your circumstances change during your studies.

This document should be read in conjunction with the Conditions of Registration, which you agree to when you register to study with The Open University. The Conditions of Registration set out your obligation to pay fees and the implications if these fees are not paid.
For specific guidance on how this policy may relate to your personal circumstances, please contact your [Student Support Team](#).

Students living in Wales: If you live in Wales and would like to receive correspondence in Welsh, please indicate this on your StudentHome profile.

**Section A: Setting and changing fees**

A1. Fees are set annually by The Open University Council and are published on each module description on the [online prospectus](#).

A2. The Open University offers Students the flexibility to study qualifications over an extended period of time, and it may therefore be necessary to make changes to fees, the fee rules and the fee policies in order to:

- Pass on efficiency gains and cost savings to Students.
- Increase fees to cover additional costs to The Open University. Any such increase will be limited to the maximum inflationary increase set for continuing Students by the Office for Students.
- Ensure that, in the case of optional modules only, where there has been an unforeseen increase in costs and/or a significant reduction in Student enrolments, The Open University is able to offer a module or a wider choice of modules which it would not otherwise be economic to provide without an increase in fees in excess of the limit referred to above.
- Comply with changes in legal or regulatory requirements.
- Meet additional costs of providing educational services arising from the requirements of a professional body for the recognition or accreditation of a module or qualification.
- Take into account changes in the public funding of higher education or The Open University.
- Introduce, modify or withdraw any offers, discounts and schemes which support, enhance or promote completion of studies or further enrolment to study.
- Take advantage of new technologies, methods, ideas and opportunities.

A3. If there are any significant changes to fees or the Fee Rules, The Open University will give reasonable notice of the changes and the date they take effect.
Section B: Working out your fee and funding liability

B1. Which fees apply to me?

B1.1 During the registration process you will be advised of the fees that you have agreed to pay for the modules you have selected, as well as methods of payment, and the date by which payment should be made. All fees are quoted in pounds sterling.

B1.2 The fee which applies to you is based on your ‘Home Address’ on the first day of the Seasonal Academic Year in which your first module begins. This must not be a temporary or work address. The Open University reserves the right to request evidence from you to confirm your home address. The residency criteria set out in Appendix 1 are used to work out whether you are eligible for the Standard Fee or the Devolved UK Nation Fee.

B1.3 If you are studying a module on a standalone basis, your fee scheme will be reassessed each time you register for a module.

B1.4 If you start a new qualification, become a lapsed Student and/or cease to study towards a declared or registered qualification, your fee scheme will be reassessed when you resume your studies. The fee charged will depend on the time at which your studies resume and the duration of your period without study; and your funding eligibility may change.

B1.5 If you have declared or registered for a qualification, the fee scheme determined in B1.2 will continue to apply for the duration of that qualification unless you move outside the UK.

B2. Liability for Standard Fees

You are liable to pay fees under the Standard Fee Scheme if you are an undergraduate Student who is ordinarily and lawfully resident in England, or any non-UK territory in which Open University study is available and you are not liable for a Devolved UK Nation Fee as set out in Section B3.
B3. Liability for a Devolved UK Nation Fee

You are liable to pay fees under the Devolved UK Nation Fee Scheme if your place of ordinary residence is in Northern Ireland, Scotland or Wales on the first day of the Seasonal Academic Year in which your first module begins.

B4. Additional information regarding funding for Students in England eligible for the Standard Fee

Undergraduate Students in England who began their qualification after 1 September 2012, are eligible to apply for a part-time tuition fee loan.

B5. Additional information regarding funding for Students in Wales eligible for the Devolved UK Nation Fee

B5.1 Students in Wales who are liable to pay the Devolved UK Nation fees, may pay fees of different amounts, depending on a number of factors outlined in B5.4, and may be eligible for different funding arrangements.

B5.2. Part-time Tuition Fee Loan

B5.2.1 Undergraduate Students in Wales who began their qualification after 1 September 2014, or those who resume Open University study after stopping for at least one academic year, are eligible to apply for a part-time tuition fee loan.

B5.3. Diamond Funding

B5.3.1 Students in Wales who began their qualification after 1 September 2018 are able to apply for additional funding products as well as a part-time tuition fee loan, as a result of the Diamond Review into Higher Education funding and student finance arrangements. These additional products are the Welsh Government Learning Grant, the Special Support Grant and/or a Maintenance Loan.

B5.3.2 Students who are continuing qualifications which began before 1 September 2018 are not eligible to apply for these additional products.
B5.4 Eligibility for Transitional Welsh fees

B5.4.1 You will be eligible for the transitional Welsh fee if you have studied a module, incurring fee liability, towards an undergraduate qualification since academic year 2014/15. Your current registered undergraduate qualification will be identified as your declared qualification for continuing fee purposes.

B5.4.2 You will retain your eligibility for the transitional Welsh fee for modules studied as part of your declared qualification until one or more of the following occur;

- You attain enough credits to be offered your declared qualification.
- You complete your declared qualification and do not register on to a top-up qualification in the next academic year.
- You withdraw entirely from your declared qualification.
- You move outside the UK.
- You do not study for 2 seasonal academic years (your registration lapses).
- You do not study for 1 seasonal academic year and when you return, you are changing your registered qualification.
- You withdraw from your part-time Open University qualification to study at a Full-Time Higher Education Provider (mode change).

B5.4.3 You will be eligible for the Standard Welsh Fee if;

- You are a new student who has not studied with The Open University before.
- You have previously studied Open University modules on a standalone module basis only.
- You have completed your undergraduate qualification and are starting another undergraduate module or qualification in 2021/22 or beyond.
- You have not studied an Open University module, incurring fee liability, towards an undergraduate qualification between 2014/15 and 2020/21 (inclusive).
- You have withdrawn from your previous qualification.
B6. Additional information regarding funding for Students in Northern Ireland eligible for the Devolved UK Nation Fee

B6.1 From 1 August 2017, all Students in Northern Ireland became eligible to apply for a part-time tuition fee loan in addition, or as an alternative, to part-time fee grant support.

B6.2 Part-time fee grant support is means tested and eligibility can only be confirmed following the submission of a formal application, accompanied by appropriate evidence of household income, to Student Finance Northern Ireland.

B6.3 Where your award of fee grant support is insufficient to cover your full module fees and you do not cover the additional amount using a part-time tuition fee loan, you will be liable to pay the remaining balance in full by an alternative method to complete your registration.

B7. Changes to your home address, country of residence or study location

B7.1 If your place of residency changes during your studies your Fee Liability may change. You must notify us within a reasonable time if you change your Home Address or any of your contact details. You are able to do this either online via your StudentHome or by contacting your Student Support Team. The Open University will ask for evidence that you are ordinarily and lawfully resident at the Home Address to check you are paying the correct fees.

B7.2 If you move between UK Nations and are continuing to study towards the same qualification, with no break in study, your fee will not change. If this applies to you and you are in receipt of support from a UK funding authority, such as Student Finance England, Student Finance Wales, Student Finance Northern Ireland or the Student Awards Agency for Scotland, your support should continue to be provided by the same funding authority.

B7.3 If you move from inside the UK to a non-UK study area, your fee eligibility will change and your entitlement to support from the UK funding authorities may cease.
B7.4 If you begin a new qualification or take a break in study of at least two academic years, your fee will be reassessed based on your Home Address on the first day of the Seasonal Academic Year in which the new qualification begins.

B8. Maintenance Funding

B8.1 In order to receive maintenance funding that you have been awarded, The Open University must confirm to the Funding Authority that The Open University is satisfied that you are engaging with your studies. The Open University uses information about your participation to confirm that you are studying to the Student Loans Company, who will then release payment to you. This process is referred to as Registration Confirmation. Further details about the ways The Open University might monitor your engagement and how The Open University will use this information are outlined in the Student Privacy Notice.

B8.2 Registration will not be confirmed to the Funding Authority before Day 14 of the first module in the Seasonal Academic Year. This is the point that you become liable for your tuition fees and means that any maintenance payments due will not be received before this date. You should not expect to receive payment of any maintenance funding until at least 3 weeks after the start of your module.
Section C: Study restrictions related to fees and funding

C1. Study restrictions relating to fees

C1.1 When you start studying with The Open University you are allocated a Seasonal Academic Year (SAY), defined in Table 1. Your SAY is determined by the start date of the first module you study with us towards your qualification. Your SAY may change if you take a break in your studies or if you change to a new qualification.

C1.2. In England, there is a limit to the fees that The Open University is legally entitled to charge a Student in a relevant Seasonal Academic Year. If you are liable to pay the Standard Fee in England and you are registered for an undergraduate qualification, the maximum fee that can be charged for all study undertaken as part of that qualification during a 2021/22 SAY is £6,750.

You will be required to withdraw from or defer enrolled and/or registered modules if the fee limit has been exceeded. The Open University will contact you if this is the case.

C1.3 There are no legal maximum part-time fees in Wales, Northern Ireland or Scotland or for Students studying outside the UK.
C2. Study restrictions relating to funding

C2.1 If you are intending to pay your fees with the aid of a part-time fee grant in Scotland, you must study modules with a minimum value of 30 credits. You do not need to study towards a qualification to be eligible for this funding.

C2.2 If you are intending to pay your fees with a part-time fee grant in Northern Ireland or a tuition fee loan in England, Wales or Northern Ireland, you must study modules with a minimum total value of 30 credits during your SAY in order to be eligible for the fee grant or fee loan. These modules must be linked to a qualification.

C2.3 If, after the Module Start Date, you defer your studies and as a result you are no longer studying modules which meet the minimum value required in your Nation, you may no longer be eligible for the fee grant or fee loan and you may become personally liable for the fees. Please see Appendix 4 for more information if this applies to you.

C2.4 Tuition fee support in Wales is subject to a cap of £2,625 per Seasonal Academic Year. Funding in Northern Ireland is subject to a cap of £3,296.25 per Seasonal Academic Year. You are permitted to register for study with total fees that exceed these caps, but any tuition fees which exceed these caps cannot be paid using funding awarded by your Funding Authority. You will be required to cover any excess costs yourself in order to complete your registration.
Section D: Payment of your fees

D1. Your obligation to pay fees is set out in the Conditions of Registration, which also contain the rules on what may happen if those fees are not paid.

D2. The Open University’s acceptance of any form of third-party funding for part or full payment of your fees, including tuition fee loans, tuition fee grants or sponsorship is dependent on you meeting any requirements set by the funding body for your eligibility to receive such funding. The Open University will normally require confirmation of your eligibility before we agree to your registration. If you are permitted to register under the Conditions of Registration before the confirmation is received, The Open University may cancel your registration under those Conditions if you do not obtain that confirmation within a reasonable time. You will be notified in advance if this is the case.

D3. If The Open University has accepted payment from you or an agreed payment method that has been confirmed, and subsequently that payment or confirmation is withdrawn or does not fully meet the cost of your module fees as set out in the Conditions of Registration, The Open University may cancel your registration and recover any fees which are due from you in line with the Student Debt Policy.

D4. If you are in debt to The Open University for your tuition fees, you will not be able to register for or pay for future study unless you pay in advance or have in place some other secured method of payment for those tuition fees or charges, which The Open University has accepted and which is in line with the Student Debt Policy. You cannot use a Fee Credit generated from a deferral or withdrawal of a module to reduce the amount of any debt.

D5. Further information about what The Open University may do if you fail to pay your fees can be found in the Conditions of Registration and the Student Debt Policy.
Section E: Cancelling, deferring or withdrawing from your study

E1. This section should be read in conjunction with the Changing Your Study Plans Policy.

E2. Under the Consumer Contract (Information, Cancellation and Additional Charges) Regulations 2013, you have a right to cancel your registration to study a module and/or qualification, without giving any reason, within 14 days of the date of confirmation of your registration. To exercise this right to cancel, you should follow the procedure laid out in the Conditions of Registration and the Changing Your Study Plans Policy.

E3. If you wish to cancel your registration or make other changes to your study more than 14 days after the date of the email or letter confirming The Open University’s acceptance of your application to register, you must follow the instructions in the Changing Your Study Plans Policy.

E4. In order to appropriately manage public funds, The Open University is required to monitor your engagement and participation in your studies. The Open University will use this information to determine whether we think you are actively studying towards your registered modules and may ask your Funding Authority to suspend payments to you if we cannot be certain of your participation. Further information is available in our Student Privacy Notice.

E5. If The Open University determines you have ceased to study, but you have not informed us that you are deferring using the procedure detailed in the Changing Your Study Plans Policy, you will not be eligible for a Fee Refund or Credit, you will not receive maintenance support instalments you may be due, The Open University will not be able to claim further loan instalments for your tuition fees and your registration may be cancelled.

E6. The effective date of any deferral or withdrawal for the purposes of calculating any entitlement to a Fee Refund or Fee Credit is outlined in Sections 5.11 and 5.12 of the Changing Your Study Plans Policy.

E7. If you have paid your fees using a combination of payment methods, any Fee Credits or Refunds you are eligible for will be applied in proportion to the sums covered by the different payment methods.
E8. Unless you are entitled to a Refund under Section F 'Fee Refunds', you must still pay the fees you agreed to when you registered to study, even if you subsequently defer your studies. This applies whether you are self-funding or paying your fees through a credit provider.

E9. If you have paid your fees using an Open University Student Budget Accounts Limited (OUSBA) loan, and you wish to defer your studies, you should not simply stop studying and/or stop making payments but need to formally notify The Open University of your intentions. If you do not formally notify The Open University you will remain liable for the full fees and for making any payments due under your credit agreement. If there is any change to your Fee Liability or payment schedule as the result of deferring or withdrawing from your studies, OUSBA will contact you directly.

E10. If, in the unlikely event The Open University needs to withdraw a module, qualification or programme of study, The Open University will take all reasonable steps to ensure that you are able to continue your studies, as outlined in our Student Protection Plan and Conditions of Registration. In the rare circumstances where continuation of studies may not be possible, the Refund and Compensation Policy outlines the circumstances where any Refunds or compensation will be awarded.
Section F: Fee Refunds

F1. If you cancel during the period outlined in Section E2 above, or more than 14 days after the date of confirmation of your registration for a module, but before the Module Start Date, you will receive a full Refund of any fees you have paid or a waiver of any fees you are liable to pay for the module(s) you have cancelled. Guidance on how you should do this is provided in the Changing Your Study Plans Policy.

F2. If you defer or withdraw after your module has started and more than 14 days after the date of confirmation of your registration you will only be entitled to a Refund or fee waiver in certain circumstances. Your entitlement will depend on your Home Address, funding method and the date on which you began your qualification or module. These entitlements are defined in Section H ‘Levels of Fee Liability, Fee Refund and/or Fee Credit’.

F3. If your fees have been paid (wholly or in part) by a grant from a UK funding authority or government agency (or equivalent), or by The Open University, you will not be personally eligible for a Refund for the grant element of the fee.

F4. If you have paid your own fees or a sponsor has paid your fees (whether in whole or in part) you may be eligible for a Refund and/or a Fee Credit as outlined in Section H ‘Levels of Fee Liability, Fee Refund and/or Fee Credit’.

F5. If you change module, any Refund of fees due to you will be transferred to your new module. You must pay any difference between the original fee and the fee for your new module before the change can be completed. If the fee for your new module is lower than the original fee, you will receive a Refund of the difference.

F6. Refunds on a third-party payment result in a Refund to the third party.
Section G: Fee Credits

G1. The standard Fee Credit is 25% of the fee of the module you have deferred. You will be awarded this if you defer or withdraw after your Module Start Date but before the Final Deferral Date.

G2. A Fee Credit may be applied to any module which starts within 13 months of your deferred Module’s Start Date, or in cases where you intend to study your deferred module again, its next available Module Start Date if this is outside the 13 month period of validity. If you have not used your Fee Credit within the period of validity, it will expire and no Refund will be given. A Fee Credit cannot be applied to the courses/modules listed in paragraph G11.

G3. Fee Credits are calculated from the fee paid for the deferred module. When you return to study you will be liable to pay any difference in the fee for your new module.

G4. Fee Credits where a third-party has paid the fees are credited to the Student.

G5. Deferral with Assessment Banking does not generate any additional Fee Credit.

G6. A Fee Credit can only be used once after the relevant liability period commences. If you use a Fee Credit together with another payment option for a module and you subsequently withdraw you will not be eligible for a further Fee Credit for that module.

G7. Fee Credits will not be awarded as a result of the deferral or withdrawal from modules of fewer than 30 credits.

G8. Fee Credits will not be awarded where the original fee was paid by a waiver or credit issued by The Open University.

G9. You may apply for consideration of a Discretionary Fee Credit or Refund if you defer your studies due to extenuating personal circumstances and can provide evidence of meeting the conditions specified by The Open University, found in Appendix 2. Further information can be found in Section I ‘Discretionary Fee Credits and Refunds’.

G10. If you have paid your fees (wholly or in part) with a tuition fee loan and you defer or withdraw from your studies, you will not be liable for any fees due to be paid by tuition fee loan after that date and your loan liability will be adjusted as appropriate.

G11. Fee Credits are not permitted for use against Microcredentials or Apprenticeship Programmes.

Section I: Discretionary Fee Credits and Refunds

I1. You may apply for a Discretionary Fee Credit, over and above any standard Fee Credit that you may be entitled to, if you have deferred a module due to extenuating personal circumstances and can provide evidence of meeting the conditions approved by The Open University in Appendix 2.

I2. If you have deferred your module and feel you may be eligible to apply for a Discretionary Fee Credit, please contact your Student Support Team for advice on how to apply.

I3. An application for a Discretionary Fee Credit or Refund must be submitted within 13 months of the Module Start Date of the module you have deferred from.

I4. A Discretionary Fee Credit may be awarded for up to 100% of the fee paid for the module you have deferred from and/or extend the period for which a Fee Credit will remain available. The maximum period it may be extended to is 25 months after the start date of the module that you deferred from. These maximum limits will only apply in exceptional circumstances.

I5. An application for a Discretionary Fee Refund can only be considered under the following conditions.
   a) The death of a registered or enrolled Student.
   b) Serious maladministration on the part of The Open University as a result of which you do not wish to continue studying with us.
   c) Unforeseen prolonged and serious illness of you or a close family member, resulting in you being unable to return to study within 25 months of the start date of the module you have deferred from.

I6. Applications for Discretionary Fee Credits and Refunds must be submitted to your Student Support Team. Your case will be reviewed by a Senior Manager, or their delegated authority and the outcome will be communicated to you in writing within 10 working days, together with guidance on how to appeal in the event that your application is unsuccessful.

I7. Exceptional awards for cases that fall outside of the normal criteria for consideration may be agreed by the Vice-Chancellor’s Delegate.
Section J: Fees for repeating modules

J1. If you need to repeat a module you will be required to register or enrol for that module and the full fee for that module will apply unless you are eligible for a reduced module fee as set out in Section J2 below. The fee you pay is the relevant fee in place at the time when you repeat the module.

J2. If you receive a fail result, as defined in the Academic Regulations (Taught Courses) for an undergraduate module, a reduced module fee will be payable in place of the full module fee if all of the following circumstances apply:

a) you are repeating study of a module that you have previously failed, or where that module is no longer available, a module which The Open University has designated as equivalent (if any); and

b) you have not already had a reduced module fee applied to that module on a previous occasion; and

c) you did not defer the module that you have failed, either with or without Assessment Banking, except in circumstances to which Appendix 2 ‘Conditions for Discretionary Fee Credits and Refunds approved by The Open University’ of these rules applies; and

d) for the module that you have failed, you had participated in all activities to the satisfaction of The Open University, including any residential school element, and participated in the end of module assessment by attending the examination or submitting the examinable component as appropriate; and

e) you have applied to register or enrol to repeat the module beginning within 13 months of the start of the module that you have failed, or, where your resit result if received after this period, the next available start date following receipt of your final results.

J3. If you meet all of the criteria listed in Section J2 above, you will receive a Fee Credit of 25% of the fee from the module you have failed to use against the module fee when you repeat study of the module.

J4. If you have failed the academic elements, but successfully completed the work-based elements of particular undergraduate Social Work modules, as listed in the Conditions of Registration: Supplementary Agreement (Social Work), you will pay an adjusted Repeat Fee as detailed within the Supplementary Agreement.
Section K: Additional costs

K1. There may be extra costs in addition to the tuition fee, such as a laptop, travel to tutorials, set books and internet access. If you are on a low income you might be eligible for help with some of these costs after you start studying. Please contact your Student Support Team for further information.

K2. If you wish to sit an examination at a non-established examination centre (usually outside Europe) you may be liable to pay an additional international examination fee for any module that has an examination, including resits.

K3. Undergraduate Students taking resit exams, postponed resit exams, or re-submitting End-of-Module Assessments do not need to pay a resit/resubmission fee.

K4. Accommodation Charge

K4.1 If you are on the Standard Fee Scheme or are a Student in Wales, and have registered on a residential school module or a module which includes an embedded residential school, you may be liable to pay an additional accommodation charge. You will be advised during the registration process whether you are liable for additional costs and will be provided with information as outlined within the Academic Regulations of when this fee may be payable.

K4.2 This additional charge is payable for the cost of accommodation and meals provided during attendance at the residential school.

K4.3 If applicable, the accommodation charge will be requested at the time of enrolment on the module and must be paid by the deadline given. See Appendix 3 for further details and the procedures for residential school payment arrangements.

K4.4 Students studying Science modules with a residential school may be required to contact an external provider directly to book their place and make payment. Further information is available on the module description on the online prospectus.

K4.5 You are liable for meeting any other expenses you may incur in connection with your attendance at residential school and any such expenses will not be reimbursed by The Open University.

Home address

This means where you are ordinarily and lawfully resident.
Lapsed Student

You are considered as a lapsed Student where you do not register for a module or qualification for at least two full seasonal academic years, unless you have applied for an approved study break as set out in the Changing Your Study Plans Policy. Becoming a lapsed Student will lead to a reassessment of your fee status and may also lead to a change in your funding cohort and Nation funding authority.

Low Credit Value Module

This means a module that is worth less than 30 credits.

Registration

Registration is the process by which you become a Student of The Open University. Subject to these regulations you may register for a module or for a qualification. To register or enrol you need to agree to the Conditions of Registration, signalling your intention to study one or more modules or qualifications, and make or arrange payment for your studies.

Registration confirmation

This means the process by which The Open University confirms your participation in your study to allow maintenance funding to be released to you by the Student Loans Company.

Seasonal Academic Year

This is calculated from when you first study towards your qualification and ensures that you can access a full year of funding support, regardless of when you begin.

Settled status

This means you are normally and lawfully resident in the UK by choice without any immigration restriction on the length of your stay. Please note that some non-UK nationals without time limits on their stay are not deemed to be settled in the UK e.g. diplomats, visiting armed forces.

This is the fee you pay if you are ordinarily and lawfully resident in any territory (such as England, or a non-UK country) that is not a Devolved UK Nation.
Temporarily absent

This means where you are not resident in your normal country of residence for a fixed period of time. A temporary absence from the UK will be reviewed in the context of the duration of the absence, with decisions on whether the absence affects your status as “ordinarily and lawfully resident in the UK” being made on a case by case basis. The duration and purpose of the absence will be taken into account but may not be the only factor evaluated.

When deciding if a person leaving is no longer ordinarily resident in a particular place The Open University considers if “they have, for the time being ceased to live there as part of the regular order of life”. The Open University considers and bases our decision on a range of relevant factors to help indicate a person’s residency with the aim of establishing where a person’s “regular order of life” takes place. In making our decision, The Open University will consider, among other things:

- the nature and purpose of the absence, including the nature and purpose of any employment overseas;
- the terms of any contract or employer’s letter;
- the period of time spent abroad;
- the time spent in the UK;
- whether a residence has been maintained in the UK (or as the case may be EEA, Switzerland and Turkey).

The Open University also considers the UK Council for International Student Affairs (UKCISA) definition of ordinary residence which states; “You are ordinarily resident in the relevant residence area if you have been habitually, normally and lawfully resident in that area from choice”.

Transfer of Eligibility

This means any change in qualification intention which does not follow a break of one full seasonal academic year. A transfer of eligibility will not affect your fee status or your funding cohort but could, in some circumstances, lead to a change in your funding eligibility.
UK Funding Authority

This means a Government Agency or equivalent and refers to Student Finance England (SFE), Student Finance Wales (SFW), Student Finance Northern Ireland (SFNI) or the Student Awards Agency for Scotland (SAAS).

Vice-Chancellor’s Delegate

This means a senior member of staff that the Vice-Chancellor has nominated to make decisions.

Appendix 1 – Residency criteria and fee areas

Ap1 1. Introduction

Ap1 1.1 The Open University may charge different fees for undergraduate Students with a Home Address in any of the following territories or groups of territories:

a) UK – England, Northern Ireland, Scotland, Wales
b) The Republic of Ireland
c) Worldwide - All other territories outside the UK and Republic of Ireland

Ap1 1.2 The territory which applies to you is based on your Home Address and not a temporary or work address.

Ap1 1.3 The Open University is required to ensure that all Students studying with us have permission to do so. This means that you may be required to submit additional evidence to verify your status in the UK or ensure you are entitled to visit the UK. If you are unable to provide evidence which verifies your status, The Open University may be unable to accept your registration on to your chosen module(s) or be unable to permit you to attend face to face study events. If you have been allowed to register and you are unable to supply the necessary evidence, your registration may be cancelled, and any fees refunded.

Ap1 1.4 The Open University may perform checks to establish your home address and you may be required to send in relevant documentation to support your claim that you are liable for any particular fee. Acceptable documentation will include copies of driving licences, passports, visa, refugee or asylum seeker documentation, national identity cards or other official documentation from the Home Office (or their Agent).

Ap1 1.5 If you are an undergraduate Student and you are not able to provide evidence of your home address when requested, you will be charged the Standard Fee, even if you have already been allowed to register and pay the lower fee applicable to any fee territory.
Ap1 2. Eligibility for UK fees

Ap1 2.1.1 You are liable to pay a UK fee if you are ‘settled’ in the UK on the first day of the Seasonal Academic Year of your module, and you have been ordinarily and lawfully resident in the UK, Gibraltar, the EEA and Switzerland for the three years prior to the first day of the Seasonal Academic Year of your module.

Ap1 2.1.2 If you are ‘temporarily absent’ from the UK and either you or a relevant family member are temporarily working outside the UK, you will be classified as ordinarily and lawfully resident in the UK and therefore eligible to pay a UK fee, provided you were settled in the UK for the three years immediately prior to being temporarily outside the UK.

Ap1 2.1.3 If you are ordinarily and lawfully resident in the Channel Islands or the Isle of Man, you are not eligible to pay a UK fee.

Ap1 2.2 Members of the British Armed Forces and UK Government employees working overseas

Ap1 2.2.2 If you are ordinarily and lawfully resident in one of the devolved UK nations you will need to provide us with evidence in support of your application for a devolved UK nation fee. Evidence can be in the form of a Council Tax bill, passport or driving licence.

Ap1 2.2.3 Anyone who is a family member of someone currently serving in the British Armed Forces who is entitled to use a BFPO address, a non-UK national currently serving in the British Armed Forces, someone working for another British Government Organisation, such as the Foreign & Commonwealth Office, or a family member of such a person, will need to provide us with details of their family relationship where relevant, their nationality, country of permanent residence, when they were last in the UK and reasons for absence from the UK.

Appendix 3 – Accommodation charges for residential schools

Ap3 1. If you are ordinarily and lawfully resident in England or outside of the UK and liable for the Standard Fee Scheme, and are enrolled on a residential school module or a module which includes an embedded residential school, an additional charge (“the accommodation charge”) is payable for the cost of accommodation and meals provided for those attending that residential school. If you are a Student in Wales, you may be liable to pay this accommodation charge. You will be advised during the registration process whether you are liable to pay the accommodation charge, or will be provided with information as outlined within the Academic Regulations of when this fee may be payable.

Ap3 2. The accommodation charge is payable except where:

a) the module fee expressly includes the cost of accommodation and meals at a residential school; or

b) Students are required or advised to make independent arrangements for accommodation and meals during their attendance at the residential school for that module; or

c) you have expressly notified the Student Support Team that you intend to make independent arrangements for your accommodation and meals during your attendance at the residential school; or

d) you will be participating in the Alternative Learning Experience (where available) instead of attending the residential school.

e) The residential school is provided by an external provider or third party to whom direct payments are required.

Ap3 3. The accommodation charge will cover the cost of accommodation and meals for the duration of the residential school that you are attending. The amount of the accommodation charge and the details of the accommodation and meals to be provided will be set out on the booking page for the residential school that you are attending. It will also indicate whether meals may be purchased at the venue on a cash basis.
Ap3 4. The accommodation charge will be requested at the time of enrolment on the module and must be paid by the deadline given, unless otherwise specified on the module description on the online prospectus.

Ap3 5. If the accommodation charge is not paid by the deadline you will be contacted by phone or email to ask you to confirm whether or not you require accommodation at the residential school you are attending:

a) If you do require accommodation you must contact us to confirm by the date specified, which will be at least eight weeks before the beginning of the residential school. Payment of the accommodation charge must be made in full at the time of your confirmation;

b) If you do not confirm that you require accommodation at the residential school you are attending and do not make payment of the accommodation charge within the time specified, no accommodation or meals will be booked for you at the residential school and it will be assumed that you are making independent arrangements;

c) If you have not confirmed that you require accommodation at the residential school you are attending within the time specified but subsequently wish to do so, a limited amount of accommodation may become available from time to time due to cancellations, but this cannot be guaranteed. Any such accommodation will be allocated on a first come, first served basis. Payment must be made at the time of allocation and will not be refundable unless Section Ap3 10. applies. You may also be asked to contact the venue directly to make your own arrangements;

d) If you have not confirmed your requirement for accommodation and meals and paid the additional charge by the date specified in the reminder, The Open University will be under no obligation to provide accommodation or meals for you while you attend the residential school.

Ap3 6. If you attend the residential school without either having paid the accommodation charge or having made independent arrangements for your accommodation and meals during your attendance, and there is no suitable accommodation available at the residential school venue, you must make your own arrangements locally.
Ap3 7. The Open University does not accept any responsibility for a Student’s failure to make accommodation arrangements or for the failure of, or problems with, independently made arrangements.

Ap3 8. Any such failure or problems will not excuse non-attendance or non-participation in the residential school. Circumstances that are outside your control which affect your participation in or performance at a residential school may be reported to be taken into account by submitting a form RS39 which is available from the Residential Schools Office.

Ap3 9. If you defer or withdraw from a residential school module or a module which includes an embedded residential school, Fee Refunds or Credits policy will apply to the tuition fee payable for that module but not to the accommodation charge.

Ap3 10. An accommodation charge that you have paid will only be refunded if, not less than eight weeks before the schools begins, you notify The Open University that you are:

- intending to make independent arrangements for accommodation and meals;
- unable to attend the residential school and wish to make arrangements to participate in the Alternative Learning Experience (where available);
- deferring study of the module to a later presentation;
- withdrawing from the module.

Ap3 11. You must notify The Open University as set out in the Changing Your Study Plans Policy. A Refund of an accommodation charge will be made by the same method that the charge was paid.

Ap3 12. If you have paid an accommodation charge and you have not notified The Open University at least eight weeks before the school begins that, for any reason, you will not require accommodation and meals at a residential school, you will only be eligible for a Refund of the accommodation charge if you meet the criteria of the Discretionary Fee Credit and Refund Policy set out in Appendix 2.
Appendix 4 – Low credit value modules and Tuition fee loans

Ap4 1. This section applies to undergraduate Students studying a qualification that includes a module which has a credit value of less than 30 credits (a ‘low credit value module’) and who are using a Tuition Fee Loan to pay their tuition fees.

Ap4 2. The rules for Tuition Fee Loans require a minimum of 30 credits to be studied during a SAY in order for the fees to be eligible for a loan. These 30 credits cannot be achieved by ‘bundling’ low credit value modules. This means that if you wish to use a Tuition Fee Loan to pay the fees for a low credit value module that is part of your qualification you must also be studying at least one other 30 or 60 credit module that is linked to that qualification. You must study this module in the same SAY as the low credit value module and on either the same or an earlier presentation.

Ap4 3. You can only use a Tuition Fee Loan to pay for a low credit value module that is credit bearing and is either:

- a compulsory module in your registered qualification; or
- is eligible to be counted towards your registered qualification.

Ap4 4. If you have changed your registered qualification to the Open Degree after studying a module worth less than 30 credits towards your original qualification, you may enrol for a further low credit value module in order to achieve a total of 30 credits from those modules. If you have changed your registered qualification to any other qualification you will only be able to enrol for low credit value modules that are compulsory in the new qualification.

Ap4 5. You must be using your Tuition Fee Loan to pay for all or part of the fees of your 30 or 60 credit module and to pay for the whole of the fee for the low credit value module. You cannot use a Tuition Fee Loan as part payment for a low credit value module.
Ap4 6. If you defer or withdraw from your 30 or 60 credit module before the start date of the low credit value module, so that the credit value of your study for the SAY drops below 30 credits, your enrolment or registration for the low credit value module will be cancelled unless you provide an alternative method of payment in place of the Tuition Fee Loan.

Ap4 7. If you defer or withdraw from your 30 or 60 credit module after the start date of the low credit value module so that the total credit value of your current study drops below 30 credits you will no longer be eligible for a Tuition Fee Loan for your remaining module and you will become liable to pay the fee yourself using another payment method. (See the Conditions of Registration and the Student Debt Policy for details of what may happen if you do not pay your fees.)

Ap4 8. If, for any other reason, you cease to be eligible for a Tuition Fee Loan to pay the fees for a low credit value module and you have not cancelled your enrolment or registration for that module before the start date of the module, The Open University (or their agents) reserves the right to claim the module fee from you in line with the Student Debt Policy.
