Together, they set out the rights and responsibilities of each of us which will apply while you are a registered student.
- b) In addition, if you are registering for a qualification supported by a third party you may also be required to enter into a supplementary agreement, any such agreement will form part of these Conditions and must be read in conjunction with them.
- c) In addition, If you are registering for a qualification which is offered under a partnership agreement between The Open University and another educational institution ('your Local Research Centre' e.g. an Affiliated Research Centre), some of the services and facilities provided to you under this agreement may be provided to you by the Local Research Centre on behalf of The Open University and not all services or facilities may be available. - g) These Conditions, the Offer Letter, and The Open University rules, regulations, policies and procedures referred to herein shall be governed and interpreted in accordance with the laws of England and Wales and all disputes arising from these documents or in relation to them shall be subject to the exclusive jurisdiction of the English courts.

A2. Additional conditions for the protection of persons

- A2.1 Students who have an unspent criminal conviction (as listed within [Appendix Ap1.1](#)), are required to disclose this unspent conviction at the point of registering to study at The Open University. Disclosure of an unspent conviction will not result in an automatic cancellation of registration or exclusion from the University; however this may mean that The Open University is unable to accommodate your study, or that we need to place specific conditions or restrictions on study, for example exclusion from University face to face events and/or online activity. If you are unsure of whether your criminal conviction is spent, please contact the [Supporting Students in Secure Environments team](#).

Version number: 1.0	Approved by: Research Degrees Committee
Effective from: 1 August 2022	Date for review: March 2023

The nature of the offence and all relevant information pertaining to the conviction will be considered in order to determine whether The Open University considers there to be any risk of harm to the wider University community and/or make adjustments to the course of study that mitigate risks for both the Student and The Open University community. This assessment will be undertaken in accordance with The Open University's [Community Support Framework](#), which considers our responsibilities to the University community of staff and students and to events where we engage with the wider general public. Further information on criminal convictions is available from [The Community Support Team, Students in Secure Environments](#).

- A2.2 Students who are currently, or become subject to a Her Majesty's Prison and Probation Service (HMPPS, or other criminal justice agency) licence, Court Imposed Order or similar relevant condition/restriction imposed by a court or Criminal Justice Agency must also make The Open University aware immediately of any conditions which may prevent them from fully engaging with their course and the wider University community. Any disclosure will be managed by the Open University Students in Secure Environments Team (SiSE). This disclosure helps the Open University Students in Secure Environments Team (SiSE) support Students in complying with any conditions while studying with The Open University and fulfils our safeguarding obligations. This includes those subject to Sex Offender Registration and Sexual Harm Prevention Orders (in the United Kingdom; or equivalent Orders for outside of the United Kingdom).
- A2.3 In circumstances where legal restrictions and conditions make a student's research impractical, The Open University will undertake to make reasonable adjustments and suggest alternative options where practicable.
- A2.4 Students applying to the Open University are not required to disclose a conviction which is 'spent' unless Clause A2.6 applies. An applicant who is unsure whether their conviction is 'unspent' and therefore needs to be disclosed can seek advice from [The Community Support Team, Students in Secure Environments](#).

Version number: 1.0	Approved by: Research Degrees Committee
Effective from: 1 August 2022	Date for review: March 2023

- A2.5 Failure to disclose information regarding relevant unspent criminal convictions that you are currently subject to or become subject to during your studies may involve an investigation which will consider disciplinary procedures and may be deemed a disciplinary offence in line with these Conditions of Registration (see Section A10: Student Discipline and Academic Misconduct; and [Appendix AP2.1: Failure to disclose legal restrictions and conditions](#)), and the [Code of Practice for Student Discipline](#) (see Sections SD1.4c and SD1.3b). Any failure to disclose may therefore have an impact on your continued study with The Open University (see Section E2: The Open University's right to cancel your registration or enrolment) .
- A2.6 Some programmes of research may require additional criteria governed by professional, statutory, and regulatory bodies (PSRBs) with regards to criminal convictions (as listed within [Appendix Ap1.1](#)), including some which are spent. Such professional programmes of research may require a satisfactory Disclosure and Barring Service (DBS) check as a condition of offer. Students accepting an offer on those programmes of research are not required to make a self-disclosure, as any adverse information disclosed by the DBS will be considered in accordance with the requirements and policy for the programme for which the DBS check is required.
- A2.7 The Open University provides services to give specialist advice and support to students entering our student community from many different walks of life. Students coming to The Open University with a spent or unspent conviction may find it useful to connect with these services and gain additional support as part of their study with us. Any disclosure to utilise a service (e.g. careers advice) is dealt with confidentially, and you will only be asked for the information relevant to the service you require. If appropriate, a referral will be made to our specialist support team who will be able to provide further guidance and support if your disclosure impacts on your study.

For further guidance on disclosure please refer to the [Appendix](#), our [Supporting Students in Secure Environments](#) web pages, or, contact the [Community Support, Students in Secure Environments](#).

Version number: 1.0	Approved by: Research Degrees Committee
Effective from: 1 August 2022	Date for review: March 2023

- A3.1 The Open University may impose conditions or vary the terms on which you study and/or access services and facilities. Action may be taken if, in the opinion of The Open University, it is reasonably necessary to do so in order to comply with its duties to protect the health and safety of Students, staff, contractors and members of the public.
- A3.2 Conditions may be imposed or terms may be varied by The Open University in order to meet its duties with respect to the safeguarding of young persons or vulnerable and protected adults, or in order to comply with its obligations under the Equality Act 2010 in England, Scotland and Wales; the Disability Discrimination Act 1995 for Northern Ireland; or any other statutory duty or obligation.
- A3.3 In order to fulfil The Open University's Safeguarding duty (in line with the [Safeguarding Policy](#) and Section G5), Open University employees or agents have a statutory obligation to disclose relevant information to the internal Safeguarding team or external parties (for example, Child and Adult Protection Services, or the emergency services).
- A3.4 In order to fulfil The Open University's Prevent duty (in line with [The Open University Prevent Principles](#) and Section G6), Open University employees, Students or agents have a statutory obligation to report concerns that an Open University staff member or Student is at risk of being drawn into terrorism to The Open University Prevent team for investigation.

Version number: 1.0	Approved by: Research Degrees Committee
Effective from: 1 August 2022	Date for review: March 2023

A9.4 Changes to Qualifications

- A9.4.1 The Open University continually seeks to enhance its students' experience and ensure that programmes remain valid, relevant and current. The training sessions that are made available in future as part of your qualification will reflect those aims of The Open University and may therefore not include the same subject content, teaching or assessment methods as those available at the start of your qualification.
- A9.4.2 In line with this aim, The Open University may make changes to the structure of its qualifications. These may include such matters as the balance between core, options and free choice components, the balance between coursework and examination or other forms and types of assessment, the order of study and rules for progression through the qualification, the requirements for attendance at or participation in specified learning activities.
- A9.4.3 You may be given the option to continue your studies under the new structure or to carry on under the original structure, subject to the teach-out arrangements set out in any notice given.
- A9.4.4 The notice period provided may be reduced if it is necessary to comply with the requirements of a professional, statutory or regulatory body or of any other body that accredits or validates the qualification.

A9.5 Withdrawal of Qualifications

- A9.5.1 If you are registered for a qualification and The Open University has approved the withdrawal of that qualification, you will be given notice of the withdrawal and a reasonable opportunity to complete your study for it before it is withdrawn, subject to the continued availability of the required training. If the period for withdrawal is shorter than that of the qualification time limit, then the withdrawal date will override the qualification time limit.
- A9.5.2 Except in the circumstances set out below, the minimum period of notice that you will be given will be sufficient for you to complete the qualification at a study intensity of half of the full-time equivalent rate assuming that you do not fail any component, suspend your registration or seek an extension.

Version number: 1.0	Approved by: Research Degrees Committee
Effective from: 1 August 2022	Date for review: March 2023

A9.5.3 The notice period set out above may be reduced if it is necessary to comply with the requirements of a professional, statutory or regulatory body or of any other body that accredits or validates the qualification for the change to be made in a shorter period of time.

A9.5.4 You will normally be permitted to complete your qualification up to 12 months after the published withdrawal date if you are resubmitting your thesis.

B2.2 You are normally required to have paid or secured an agreement to pay your fees by a payment method approved by us before we will accept your registration.

However, The Open University may, at its discretion, accept your registration before your approved payment method such as a government grant, a student loan or payment by a sponsor has been secured. The exercise of this discretion will be conditional upon you having taken and/or agreeing to take all reasonable steps (as the case may be) to secure that payment method within a reasonable time. If you have not secured that payment within the reasonable time we have given you to do so, The Open University may cancel your registration as set out in [Section E2](#) “The Open University’s right to cancel your registration”. You will be notified in advance if this is the case.

- B3.2 You are responsible for ensuring that the information provided to us and used in your Offer Letter is correct. If any of your information is inaccurate you must inform us before completing your registration. If we have sent you an Offer Letter and it is in any way incorrect, **do not alter or sign it**. Please [contact us](#) to give us the correct information and we will send you a new Offer Letter.
- B3.3 The Open University reserves the right to check any information that you have given us and, if the checks show that a different fee should be paid, to recover the difference between the fee shown in the Offer Letter and the correct fee if higher. These checks may be made at any time, including after you have begun your study. The Open University may share data with external agencies to check that the correct fee has been paid.

We will not be able to confirm your registration to your funding authority to allow any maintenance support you may be due to be released to you until your registration is completed.
- B4.4 If we have accepted your registration and, for any reason, the payment method we have accepted is cancelled or withdrawn (for example a credit or debit card payment is not honoured by your bank or a grant or loan is withdrawn) we may cancel your registration even if you have started studying. You will be given notice of our intention to cancel your registration and a final opportunity to secure the payment or to pay by a different method.

If, at The Open University's discretion, the services or facilities are provided and the charges remain unpaid, you will be in debt to The Open University and The Open University may take action to recover that debt in line with our [Student Debt Policy](#).

B5. Consequences of not paying fees or additional charges

B5.1 If you do not pay your outstanding fees or other charges, including any further fees and other charges that may fall due, we may take all reasonable steps including legal action to recover those fees and other charges from you in line with our [Student Debt Policy](#).

B5.2 If you are in debt to us for your fees, we will:

- a) Notify you of what action you may take, if appropriate, to limit any liability for further fees and other charges that may become due and give you a reasonable opportunity to take that action before any further liability is incurred;
- b) Notify you that you are in debt, the amount of the debt and how you may pay that debt and give you a reasonable opportunity to pay any outstanding fees or other charges before taking any further action against you.

B5.3 If you are in debt to us for your fees, you will only be permitted to undertake further study for which any further fees or charges may become due if you pay in advance or have another secured method of payment for those fees or charges, which we have accepted, and you discharge or make arrangements to discharge the debt.

B5.4 If we continue, at our discretion, to provide services or facilities or allow further registration to students who are in debt to us, we reserve the right to take the actions mentioned above at a later date.
