# Scope

## What this document covers

This Supplementary Agreement applies to students who have been accepted on to The Open University's Postgraduate Certificate in Education (PGCE) (Wales) programme. This Supplementary Agreement sets out the additional terms relating to study of a PGCE (Wales) qualification under both of the routes available in this programme: the salaried route and the part-time route.

Students studying the PGCE (Wales) as salaried students are paid members of staff in a school, with costs of study fully funded by the Welsh Government via a 'training grant' and a non-qualified teacher salary paid by their employing organisation.

Salaried students on the PGCE will be both students of The Open University and employees of their Employer school. They will need to register with the Regulatory Body (the Education Workforce Council, EWC) as a School Support worker before they commence their PGCE and will need to comply with the [EWC Code of Professional Conduct and Practice](#)

Salaried students undertake practice learning periods in school concurrently with academic study and with employment. Practice learning is assessed by mentors, school coordinators and practice tutors: more information on these roles is given in the Glossary.

Students studying through the part-time route will be self-funded, undertaking practice learning periods dependent upon their circumstances and in agreement with partner schools. Similarly to salaried students, practice learning will be assessed by mentors, school coordinators and practice tutors.

On successful award of the PGCE (Wales) qualification, The Open University will notify the EWC of recommendation for Qualified Teacher Status (QTS).

## Main terms of the Supplementary Agreement

### 1 Summary of the main terms of the Supplementary Agreement

1.1 This section sets out a brief summary of the supplementary terms of your agreement to study a PGCE (Wales) qualification with The Open University. You are agreeing to:

- a) comply with and abide by the [Code of Conduct and Practice](#) set by the Regulatory Authority, the Education Workforce Council (EWC).
- b) (for salaried students) be accepted onto the PGCE salaried route. Without signing this agreement you will not be permitted to participate in the study or practice learning periods of the PGCE (Wales) qualification and have your costs of study paid for by the Welsh Government.
- c) (for part-time students) be accepted onto the PGCE part-time route. Without signing this agreement you will not be permitted to participate in the study or practice learning periods of the PGCE (Wales) qualification and/or be eligible for the range of funding (e.g. incentive grants) offered by Welsh Government for teacher training students.
- d) comply with the legal and policy requirements of The Open University, Regional Consortia, or any partner schools as set out in their respective policies, procedures and terms of employment (for salaried students).
- e) meet the academic standards and practice-based requirements that are identified within Open University study and via the [Wales Professional Standards for Teaching and Leadership](#). You must do this in order to be awarded your PGCE.

Version number: 1.0	Approved by: Student Experience Committee and Education Committee
Effective from: 1 August 2020	Date for review: March 2021

- f) notify The Open University and your placement school, as soon as possible, of any concerns you have of not meeting such requirements.
- g) understand that The Open University may suspend or terminate your registration or deny the award of the PGCE (Wales) if the terms set out in this agreement are not met.
- h) understand that The Open University, the Regional Consortia and partner schools may share necessary information about your health, disability, academic performance, conduct, fitness to practise and professional standards. Such information will be kept secure and will only be processed in accordance with [The Open University's PGCE Privacy Notice](#), and is limited to these organisations.
- i) (As a salaried student), be resident in either Wales or England and be able to travel to your Employer School in Wales on a daily basis.
- j) (As a part-time student), be resident in Wales and be able to travel to your Associate School in Wales on a daily basis.

## **2 Additional conditions for disclosure of legal restrictions and conditions**

- 2.1 You must disclose any criminal conviction prior to registration or at any point that you become subject to a criminal conviction during the course of your studies. It is highly likely that any criminal conviction will preclude you from studying the PGCE (Wales) at The Open University but each case will be considered individually.
- 2.2 All students must hold a Disclosure and Barring Scheme (DBS) certificate before they are allowed into a school for teaching experience. Students who are currently, or become, subject to an order, restriction or arrangement imposed by a court or by an authorised body must make the Director of PGCE Programme in Wales or their delegate aware immediately of any conditions which may prevent them from fully engaging with their course and the wider University community. In such circumstances, you may be obliged to stop studying the PGCE (Wales) qualification because you will be in contravention of the Code of Conduct and Practice (see 3 below). This disclosure helps us support students in complying with any conditions while studying with The Open University and fulfils our safeguarding obligation and includes those subject to Sex Offender Registration and Sexual Harm Prevention Orders.

Version number: 1.0	Approved by: Student Experience Committee and Education Committee
Effective from: 1 August 2020	Date for review: March 2021

### 3 Code of Conduct and Fitness to Practise (FtP) Procedures

3.1 By entering into this Supplementary Agreement you explicitly acknowledge that you understand and agree to be bound by the revised Code of Conduct and Practice (effective from 1 September 2019) set by the Regulatory Authority, the Education Workforce Council (EWC): [EWC Code of Professional Conduct and Practice](#)

Salaried students will also need to formally register with EWC as a Learning Support member of staff.

This means that:

a) If a concern is raised that you are not achieving or maintaining the expectations of the Code at a level appropriate to the stage of your studies for the PGCE (Wales) qualification and other means of support have not proved sufficient, you may be referred under The Open University's [Fitness to Practise Procedure](#).

This may result in:

- conditions being applied for you to continue to study for a PGCE;
- suspension from study for a PGCE;
- termination of registration for a PGCE;
- the withholding of the award of a PGCE.

b) You agree to notify the Director of PGCE Programme in Wales or their delegate ([Wales-PGCE@open.ac.uk](mailto:Wales-PGCE@open.ac.uk)) as soon as practicable of any matter which may give rise to any concern about your ability to meet the Code of Conduct and Practice of the Regulatory Authority.

3.2 Although you may have been awarded module credit that satisfies the academic and practice learning requirements of the PGCE (Wales), that qualification may be withheld by The Open University on the recommendation of a Fitness to Practice (FtP) Panel if they determine that you have failed to meet the standards required in the EWC Code of Conduct and Practice, due to matters that occurred prior to the conferment of the qualification.

Version number: 1.0	Approved by: Student Experience Committee and Education Committee
Effective from: 1 August 2020	Date for review: March 2021

- 3.3 If a PGCE has been conferred and any matters occurring before the conferment of the qualification subsequently come to light that, in the opinion of an FtP panel, ought to have been declared and would have resulted in the withholding of the PGCE (Wales) qualification, the matter shall be referred to the University's Central Disciplinary Committee who have the power to withdraw the PGCE (Wales) qualification.
- 3.4 If the PGCE (Wales) qualification is not awarded, you will not be eligible to register to practise as a teacher. If you have successfully passed a module(s), you may be able to count the credit towards other Open University qualifications that you register for outside of the PGCE Programme.

## 4 Teaching Commitment

- 4.1 When you register for the PGCE (Wales) qualification with The Open University, you agree to:
- a) Co-operate with any Lead, Employer or Associate School in which you are undertaking practice learning, who will provide sufficient and appropriate practice learning periods to enable you to meet the learning outcomes of the PGCE (Wales) qualification and the requirements of the EWC, which include 120 days of teaching practice.
  - b) Co-operate with any Lead, Employer or Associate School in which you are undertaking practice learning to meet any reasonable requirements to maintain the reputation of the schools, the Welsh Government, and The Open University and comply with their legal and financial obligations and service standards in connection with your participation in the practice learning opportunities provided.
  - c) Comply with the correct programme structure appropriate to the route that you are enrolling on. Any students enrolled on the part-time programme cannot use the structure of the salaried route to undertake the programme.
  - d) For salaried students, comply with the employment policies and practices of the Employer School and second school.
  - e) Take all reasonable steps to undertake any practice learning opportunities required in order to complete the PGCE (Wales) qualification.

Version number: 1.0	Approved by: Student Experience Committee and Education Committee
Effective from: 1 August 2020	Date for review: March 2021

- 4.2 Partner schools will require you to co-operate with your practice tutor, school coordinator and mentor. Your practice tutor, school coordinator and mentor will:
- a) Carry out observations and supervise practice, offering regular feedback to you throughout the practice learning periods;
  - b) Carry out any assessment responsibilities required of them by the PGCE (Wales) qualification; and
  - c) Participate in planning, monitoring and review meetings with you and each other as required.
- 4.3 If you are in breach of the clauses outlined in Paragraphs 4.1 and 4.2, and in the opinion of your mentor and the Director of PGCE Programme in Wales or their delegate, it is not reasonably practicable for you to complete a teaching commitment, your Employer or Associate School and The Open University are not obligated to provide a further opportunity for you to meet the practice learning requirements for that module. If you are not meeting the [Wales Professional Standards for Teaching and Leadership](#) and fail your teaching experience (and the resit opportunities), your studies may be suspended in accordance with the [Conditions of Registration](#) (Section E.2).
- 4.4 If difficulties arise outside your control in the course of a practice learning experience that cause your learning to be disrupted, they will be managed by The Open University and the Regional Consortia in partnership with your placement school. This may include offering you an alternative placement.
- 4.5 If the placement school does not allow you sufficient time to complete the required practice learning experiences, The Open University and Regional Consortia will address this with the school and if required, endeavour to extend your study period to allow the placement school to provide sufficient practice learning opportunities.

---

## 5 Fees or Costs of Study

- 5.1 Salaried students will not be expected to make a direct contribution towards the costs of their study and will be paid by the employer school as a non-qualified teacher, on a minimum of point 1 of the non-qualified teacher pay scale, on a full-time basis.

Version number: 1.0	Approved by: Student Experience Committee and Education Committee
Effective from: 1 August 2020	Date for review: March 2021

- 5.2 Under the Salaried Route, students are paid (employed) by a state-funded school in Wales to work as a non-qualified teacher while they study for their PGCE. Student fees on this route will be funded by a training grant from the Welsh Government and these will be paid directly to The Open University for the duration of the qualification.
- 5.3 Under the Part-time Route, students will be self-funded. They will be liable for their own fees as set out on the [PGCE in Wales Fees and Funding](#) webpage.
- 5.4 If salaried students are in breach of the terms of this Supplementary Agreement or fail to adhere to the main [Conditions of Registration](#), or cancel/terminate their studies, the costs of their study will immediately cease to be paid by the Welsh Government.
- 5.5 If part-time students are in breach of the terms of this Supplementary Agreement, or fail to adhere to the main [Conditions of Registration](#), any fees paid to The Open University will not be refunded and Fee Credits or Waivers may be withheld.
- 5.6 If part-time students cancel or terminate their studies, any refunds will be made in accordance with the [Fee Rules \(Undergraduate\)](#) (Section H).
- 5.7 For salaried students, if you have deliberately given misleading, incorrect or fraudulent information about your circumstances, you may become personally liable for some or all of your costs of study.
- 5.8 If, after discussion with The Open University and your Employer School and second school, you decide to withdraw from the salaried route, you may be eligible to apply to study The Open University PGCE qualification through the part time route. For more information, contact the PGCE team on 029 2047 1170 or email [Wales-PGCE@open.ac.uk](mailto:Wales-PGCE@open.ac.uk).

## **6 Termination of Agreement with Partner School by The Open University**

- 6.1 In the event that The Open University's collaboration agreement with your Employer or Associate School is terminated, The Open University and Regional Consortia will take reasonable steps to enable you to finish the programme including completing all necessary modules and carrying out all necessary practice learning experience.

Version number: 1.0	Approved by: Student Experience Committee and Education Committee
Effective from: 1 August 2020	Date for review: March 2021

## 7 Statutory Right to Cancellation of Registration and Termination of Registration/withdrawal

- 7.1 As a student, you are able to exercise your right under the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations (2013) to cancel your registration without penalty up to 14 days after the date of your confirmation of registration, regardless of how your fees are paid.
- 7.2 The Open University can cancel your registration for the PGCE (Wales) qualification in the circumstances set out in the [Conditions of Registration](#) (Section E). In addition, we may cancel your registration if you do not:
- a) Undertake practice learning periods with an agreed school.
  - b) Maintain the conditions of the programme, such as employment by an Employer School or failure to maintain the professional standards expected of any partner School.
  - c) Maintain the standards of the Regulatory Authority with respect to your health, competence and standards of behaviour.
- 7.3 For salaried students, if your employment is terminated by your Employer School because you are in breach of the terms of your employment contract with them, you will not be able to continue on the salaried route of this qualification. You may be able to apply to move to the part-time route, depending on your circumstances. To discuss your options, please contact the PGCE team on 029 2047 1170 or email [Wales-PGCE@open.ac.uk](mailto:Wales-PGCE@open.ac.uk).
- 7.4 For part-time students, if your Associate School no longer wish to continue your placement, or if any issues arise, The Open University will work with the school under our Issues Resolution Framework. In the event that issues cannot be resolved, you may be offered alternative placements, depending upon the circumstances.
- 7.5 If you decide to cancel your registration on your PGCE qualification before starting study, you must discuss this first with The Open University to agree implications. In the case of salaried students, this may affect your Terms of Employment with your Employer School (which may include losing your employment). This decision will be made by your Employer School.

Version number: 1.0	Approved by: Student Experience Committee and Education Committee
Effective from: 1 August 2020	Date for review: March 2021

- 7.6 If you wish to cancel your registration after you begin studying, you must discuss this first with The Open University and your Associate or Employer School. Once you confirm your decision you must make a clear statement by letter or email, to the Director of PGCE Programme in Wales or their delegate via [Wales-PGCE@open.ac.uk](mailto:Wales-PGCE@open.ac.uk), setting out your decision in writing. If you cancel your registration, you will not be able to recommence your studies and will no longer be a student of The Open University. The fee liability rules applicable will be determined by the route of the PGCE that you are following: students on the part-time route will be subject to the standard University fee rules ([Fee Rules \(Undergraduate\)](#)); students on the salaried route will not be eligible for any fee refunds or fee credits for fees paid to that point of the programme. For salaried students, this may affect your Terms of Employment with your Employer School, which may include losing your employment. This decision will be made by your Employer School.
- 7.7 If you have successfully passed any module(s) at the point of cancelling your studies, you may - subject to the [Academic Regulations \(Taught Courses\)](#) - be able to count this towards another qualification that you register for outside of the PGCE Programme.
- 

## 8 Your Studies

- 8.1 You cannot delay your studies part-way through unless there are exceptional circumstances, which would be determined at the discretion of the Director of PGCE Programme in Wales or their delegate and (for salaried students) the Headteacher of the Employer School (see Section 9). If you have prolonged or repeated absences from any part of the PGCE qualification, this may result in a cause for concern and/or the triggering of the Student Support Framework (See Glossary).
- 8.2 You should normally complete your PGCE within 24 months from the start date of your first module. See Section 9 if you think this will not be possible.
- 8.3 In order to be eligible for the award of PGCE (Wales) you must, for each module completed, satisfactorily meet both the academic requirements of The Open University and the requirements of the [Wales Professional Standards for Teaching and Leadership](#).
- 8.4 You must successfully complete all appropriate requirements and modules as outlined in the Qualification Regulations specific to the PGCE (Wales) qualification in order to receive the award.

Version number: 1.0	Approved by: Student Experience Committee and Education Committee
Effective from: 1 August 2020	Date for review: March 2021

- 8.5 If you fail a module (including the failure of any resit or resubmission), you will need to leave the PGCE qualification. If you have begun studying the next module whilst you awaited results, you will not be able to complete that module. Your module fee will be refunded.
- 8.6 If you leave or are no longer eligible for the Salaried Route PGCE qualification, this may affect your Terms of Employment with your Employer School which may include losing your employment. This decision will be made by your Employer School.
- 8.7 You must pass all modules to be awarded the PGCE qualification. If you do not pass the first End of Module Assessment (EMA) submission attempt (comprising academic assessment and practice learning evaluation), you **may** be invited to resubmit, depending on your results. If you are not offered a resubmission, or if you do not pass the module following the resubmission attempt, we will deregister you from the qualification. Resubmission is only permitted on PGCE1 and PGCE3 (the first and final modules of the programme). For PGCE2 (the module required for progression to year 2 of the module) students may, in certain circumstances (see Appendix A), be offered a viva voce in place of a written academic assessment.

## **9 Changing Your Study (Deferring your studies or Taking a Study Break)**

- 9.1 In certain circumstances (as detailed in Appendix A), you may decide you need to stop studying before you submit the End of Module Assessment (EMA) for a module. This is called deferral and means you would stop studying the module you are currently registered upon before submitting and passing your assessment for that module, and we would register you to begin that module at its next start date. You must discuss your options with the Director of PGCE Programme in Wales or their delegate ([Wales-PGCE@open.ac.uk](mailto:Wales-PGCE@open.ac.uk)). There is no guarantee that you will be allowed to defer from the PGCE. Salaried students, may however be able to transfer to the part-time route. Any employment implications for salaried students should be discussed with your Employer School.

Version number: 1.0	Approved by: Student Experience Committee and Education Committee
Effective from: 1 August 2020	Date for review: March 2021

9.2 If you are permitted to defer, you will re-join that same module at the next start date.

You will be permitted to carry over evidence previously collected in your e-portfolio and continue to contribute to this. You will pick up study from the beginning of the module. It cannot be guaranteed that the evidence required for assessment at the time you restart the module will be identical to that required in the earlier module from which you deferred. Deferring study may have implications for your employment.

9.3 Applications for a deferral may be considered where you have been unable to study due to reasons beyond your control ([see Appendix A](#)). Other circumstances where a deferral may be granted are:

- i) if you have been suspended under [Fitness to Practise Procedure](#) and subsequently reinstated;
- ii) for salaried students, if you lose your school employment through no fault of your own and we are unable to find an immediate replacement school which will support you on the PGCE (Wales) qualification. Please note The Open University and Regional Consortia will make every effort to find you a replacement school.

9.4 In certain circumstances (as detailed in Appendix A) or under the [Fitness to Study Policy](#), and in agreement with The Open University and your Employer school, you may be permitted to take a study break between modules. This means that you would take a break from study between completing modules in one year and before starting the next module the following year. In order to take a study break, you will have submitted and passed your assessment for the module after which you wish to take a study break. Taking a study break may have implications on your ability to complete the PGCE qualification: In order to qualify for the PGCE qualification, all study must be completed within four years of module PGCE 1 start date. The procedure and reasons for taking such a study break must be discussed with the Director of PGCE Programme in Wales or their delegate and the Headteacher of your Employer School. There is no guarantee that you would be allowed to take a study break on the salaried student route.

9.5 If study is not completed within four years, you will not achieve the PGCE qualification nor QTS recommendation. You may, subject to the [Academic Regulations \(Taught Courses\)](#), be able to use any credit you have already completed towards another qualification that you register for outside of the PGCE Programme.

Version number: 1.0	Approved by: Student Experience Committee and Education Committee
Effective from: 1 August 2020	Date for review: March 2021
